INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH ILLINOIS TAX INCREMENT REDEVELOPMENT ALLOCATION ACT

Board of Trustees
Village of Bourbonnais
Bourbonnais, Illinois

Opinion

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, the aggregate remaining fund information, and the related notes to the financial statements which collectively comprise the basic financial statements of the Village of Bourbonnais as of and for the year ended April 30, 2022, and have issued our report, under a separate cover, dated November 16, 2022. Our report included reference to other auditors who audited the financial statements of the Kankakee River Metropolitan Agency, which represent 77 percent, 63 percent, and 8 percent, respectively, of the assets, net position, and revenue of the Sewer Operating Fund and whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Kankakee River Metropolitan Agency, is based solely on the report of the other auditors.

We have also audited the Village of Bourbonnais' compliance with the provisions of subsection (q) of 65 Illinois Compiled Statutes (ILCS) 5/11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act (Illinois Public Act 85-1142) for the year ended April 30, 2022.

In our opinion, the Village of Bourbonnais complied, in all material respects, with the aforementioned requirements for the year ended April 30, 2022.

Basis for Opinion on Compliance

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Village of Bourbonnais and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance. Our audit does not provide a legal determination of the Village of Bourbonnais' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Village of Bourbonnais' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about the Village Bourbonnais's compliance with the requirements referred to above.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Village of Bourbonnais's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Village of Bourbonnais's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances to test compliance.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weakness in internal control over compliance that we identified during the audit.

This report is intended solely for the information and use of the Board of Trustees, management, and the State of Illinois and is not intended to be and should not be used by anyone other than these specified parties.

Our report included reference to other auditors who audited the financial statements of the Kankakee River Metropolitan Agency, which represent 77 percent, 63 percent, and 8 percent, respectively, of the assets, net position, and revenue of the Sewer Operating Fund and whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Kankakee River Metropolitan Agency, is based solely on the report of the other auditors. The 2021 comparative information has been derived from the Village's April 30, 2021 financial statements, and in our report dated December 15, 2021, we expressed unmodified opinions on those financial statements.

The accompanying schedules present only the Special Tax Allocation Fund of the Village of Bourbonnais and are not intended to present fairly the financial position and changes in financial position of the Village of Bourbonnais in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements of the Village of Bourbonnais. The accompanying statements for the Special Tax Allocation Fund, as listed in the table of contents, are presented for the purposes of additional analysis and are not a required part of the basic financial statements. These statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.
